To Family and Friends of St. Peter's:

Next year St. Peter's Episcopal Church will celebrate its 325th Anniversary with many exciting events. The first part of that momentous celebration will be the sale of "Commemorative Bricks" and "Commemorative Brick-Tiles". The bricks will be installed in the new walkway leading from the front of the church to Gordon Street. The cost of the bricks and brick-tiles is tax deductible. Following is a description of the bricks and brick-tiles:

BRICKS: Standard size of 4" x 8" and 2¼" thick. Helvetica style engraving will be used and it is recommended that there be no more than eighteen (18) characters per line with a maximum of three (3) lines. These commemorative bricks may be in memory of, in honor of, in celebration of a wedding, baptism, or any event you choose. The cost of each brick is \$75.00. (See sample photo on back).

BRICK-TILE: Same size as the brick but only ½" thick. You must order an engraved brick to be able to purchase one or more brick-tiles. The brick-tile will have the same inscription as the full size brick with felt backing and will come with a stand so it can be displayed in your home or office. The cost of each brick-tile is \$25.00.

When twenty-five (25) or more bricks are sold, an order will be forwarded to the company doing the engraving. You will be notified when the installation has been completed so you can view your personalized brick.

For your convenience, attached is an order form. Please feel free to make additional copies for each brick you would like to purchase. If you have any questions, you can contact me at (732) 634 - 4174 or ckpaul2@comcast.net.

Faithfully yours,
Charles K. Paul II
